

UD30 USB Flash Drive

USB 2.0

8 GB, 16 GB, 32 GB
and 64 GB

Wide
Compatibility

Exceptional
Durability

Biwin UD30 USB 2.0 portable, lightweight USB flash drive offers capacities up to 64 GB, to expand your storage for everyday use. Its compact and stylish design ensures portability, while its plug-and-play functionality works seamlessly across various devices. Backed by a 5-year limited warranty, the Biwin UD30 ensures long-term reliability.

► Product Features

Fast and Reliable Performance

Featuring the USB 2.0 interface, the Biwin UD30 offers read speeds up to 30 MB/s, perfect for everyday file transfers, backups, and light data storage. Whether it's documents, photos, or small video files, this UFD ensures faster access and smoother data management. Simple, efficient, and easy to use, it helps streamline your digital storage needs.

Exceptional Durability and Data Protection

The Biwin UD30 is made from a high-quality zinc alloy for exceptional durability. Its IPX8 waterproof rating allows it to withstand immersion up to 1.5 meters for 30 minutes. Shockproof and compression-resistant, it ensures your data stays safe even in harsh environments.

Universal Compatibility and Quick, Easy Data Access

Designed with seamless plug-and-play functionality, the Biwin UD30 is compatible with a wide range of devices, including laptops, desktops, gaming consoles, and car audio systems. Simply plug it into any USB port, and it's ready to use - no drivers or software needed. Perfect for a variety of uses, it allows you to quickly and easily transfer large files, create seamless backups, or even expand your console's storage.

Flexible Storage Options for Everyone's Needs

Available in 8 GB, 16 GB, 32 GB, and 64 GB, the Biwin UD30 meets a variety of storage needs. Whether you need a simple solution for everyday data transfers or a larger capacity for media storage, this flash drive offers reliable and efficient performance. Choose the capacity that fits your data storage needs and enjoy reliable performance every time.

► Biwin Storage

For decades, Biwin has made the critical storage and memory you'll find in many of the leading digital devices that have defined our digital world. The Biwin consumer brand offers the best of Biwin's experience, a range of SSDs, DRAM, memory cards, USBs and related accessories that will help you get the most out of your devices.

Our cutting-edge facilities use the latest technologies including our own chip packaging, software and hardware labs, state-of-the-art clean rooms, and our own award-winning manufacturing equipment. We are especially proud of our extraordinary rigorous chain of testing that ensures we're offering you the best in reliability.

► Specifications

Model Name	Biwin UD30
Interface	USB 2.0
Capacity	8 GB / 16 GB / 32 GB / 64 GB
Sequential Read (Up to)	30 MB/s
Sequential Write (Up to)	15 MB/s
Dimensions	36.20 × 12.10 × 6.65 mm
Weight	6 g
Operating Temperature	0 °C to +60 °C
Storage Temperature	-20 °C to +80 °C
Certifications	CE, FCC, RoHS, WEEE, VCCI, RCM, KCC, BSMI, UKCA
Warranty	5-Year Limited

1. Tested by BIWIN labs. Actual performance may vary due to systems, devices, or environment.
2. Maintenance and future updates are required throughout the product life cycle. Specifications are subject to change without notice.
3. The pictures are for illustration only. Actual products may vary due to product enhancements or changes.
4. Not all products are sold in all regions of the world.
5. As used for storage capacity, one megabyte (MB) = one million bytes, one gigabyte (GB) = one billion bytes, and one terabyte (TB) = one trillion bytes. Total accessible capacity varies depending on the operating environment. As used for buffer or cache, one megabyte (MB) = 1,048,576 bytes. As used for transfer rate or interface, megabyte per second (MB/s) = one million bytes per second, and gigabyte per second (GB/s) = one billion bytes per second.
6. While using the product, please ensure to make multiple backups of important data. Biwin is not liable for losses of personal data stored in the product.
